

Target market information: full discretionary service

April 2024

The full discretionary service strategies from LGT Wealth Management Limited (LGT) offers investors a range of portfolio strategies within different risk levels.

Portfolios are invested in a broad range of securities bearing different levels of risk. For each strategy, decisions on portfolio constituents and the investment management are implemented in line with the strategy's compatibility with the identified target markets and compatible instruments.

The full discretionary service is available to investors who are advised as well as those who do not have a Financial Adviser or other professional providing advice. The service is a discretionary service and is not an advisory or execution only service.
